Driver safety

Grand Pacific Drive is a fully sealed, well maintained, all season road. Whilst driving on the route, here's a few points to consider:

- Check fuel, oil and tyres before driving. There are plenty of service stations throughout the drive.
- Avoid towing caravans or driving coaches through the Royal National Park. Use the Helensburgh/Stanwell Park exit instead.
- Watch for wandering wildlife especially throughout the Royal National Park, in parts of the Shoalhaven and along the Illawarra Highway (Wollongong to the Southern Highlands).
- Stop, Revive, Survive. For more information, go to www.rta.nsw.gov.au/roadsafety.
